

# Potential Improvements for the South Fork of the Republican River Are Being Studied

The South Fork Republican Restoration Coalition has a grant from the Colorado Water Conservation Board to **identify improvements that could be made on the South Fork of the Republican to restore streamflow and a more natural system with recreational opportunities that will benefit the region.**

## Come Hear About It and Share Your Opinions!

### November 8

7:00 to 8:30 p.m.  
Burlington Community &  
Educational Center  
340 S. 14<sup>th</sup> Street  
Burlington, CO 80807

### November 14

7:00 to 8:30 p.m.  
The Grainery  
26681 US-36  
Idalia, CO 80735

**We need input from the public to advise the consultants who have been hired to conduct the study.**

**Come to one or both of these public meetings to hear more about the project and to give us your input.**
