

**RESOLUTION OF THE REPUBLICAN RIVER
WATER CONSERVATION DISTRICT**
(To Waive Provisions for Location of a Special Meeting of the Board)

RESOLUTION NO. 24-08

RECITALS

WHEREAS, the Republican River Water Conservation District (“District”) was created pursuant to section 37-50-103(1), C.R.S.; and

WHEREAS, the District is managed and controlled by its Board of Directors (“Board”); and

WHEREAS, section 37-50-108, C.R.S., provides that the Board may hold such special meetings as may be required for the proper transaction of business and that all special meetings shall be held at locations that are within the boundaries of the District or that are within the boundaries of any county in which the District is located, in whole or in part, or in any county if the meeting location is within Colorado and does not exceed twenty miles from the District boundaries; and

WHEREAS, section 37-50-108 provides that the provisions of that section governing the location of meetings may be waived only if the proposed change of location of the meeting of the Board appears on the agenda of a regular or special meeting of the Board and if a resolution is adopted by the Board stating the reason for which the meeting of the Board is to be held in a location other than under the provisions of section 37-50-108 and further stating the date, time, and place of such meeting; and

WHEREAS, the Board desires to waive the provisions of section 37-50-108 for a special meeting of the Board to be held on January 9th & 10th, 2025, with the District’s engineer consultants and legal counsel.

RESOLUTION

NOW, THEREFORE, be it resolved by the Board of the District that:

1. A special meeting of the Board shall be held January 9th & 10th, 2025. The date, time, and place of the meeting are as follows:

Date: January 9th & 10th, 2025

Time: January 9th, 2025 1:00 pm - 6:00 pm and January 10th, 2023 8:00 am – 2:00 pm

Place: Historic Cow Palace, 1301 North Main St. Lamar, CO 81052

2. Reasons for waiving the provisions of section 37-50-108:

a. As the District’s engineers and legal counsel are all located in the Denver area, the Board believes that it will be more convenient to hold this special meeting closer to the area which is closer in miles, yet somewhat conciliatory location.
